We will confirm the remaining training days with you at least half a term in advance.

We offer the full entitlement. Eligible working families receive up to 30 funded hours a week, and other entitlements 15 hours a week, across the 38 weeks shown in green. We follow Oxfordshire County Council term dates and do not stretch funding across the year, so your hours are used in term time.

We are open all year. In the weeks shown in yellow, attendance is charged at our standard daily rate. Your invoice shows funded hours separately from anything else you are charged for. Please tell us if you are splitting your entitlement with another provider.

Term dates follow Oxfordshire County Council's published 2026/27 calendar. Bank holidays as published by GOV.UK.
